

3 Courses

**GraphQL Fundamentals-**  
Design  
APIs, Schema, Frontend  
Integration

**GraphQL API Development:**  
Schema Design, Security &  
Deployment

**Advanced GraphQL for**  
Developers: Optimize &  
Scale Modern API

**BOARD  
INFINITY**

Jan 2, 2026

**John Roy Geralde**

has successfully completed the online, non-credit Specialization

# **GraphQL Mastery: From Fundamentals to Production**

This certificate recognizes your expertise in building modern, scalable GraphQL APIs from scratch. You have demonstrated advanced skills in schema design, secure data access, real-time subscriptions, and deploying production-ready APIs using Apollo and cloud platforms. Your work reflects industry-standard practices in full-stack API development.

*Abhay Gupta*

Abhay Gupta, Co-  
Founder, Board Infinity

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
